ANGUILLA

3 hour Cruise

Enjoy a nice 3hour cruise to Meads Bay, Anguilla. This long strip of beach topped with cliffy headlands and the Mediterranean style resort The Malliouhana north end. The Four Seasons, known for the spa, is located at the opposite end. The beach is one of the best in the whole Caribbean. May run into a celebrity there at the beginning or end of a relationship.

A short tender ride will bring guests to Sandy Cay, a small circle of sand with a few baby palm trees. Great for snorkeling and beachcombing. Sandy Cay is also home to a beautiful beach restaurant to enjoy a cocktail.

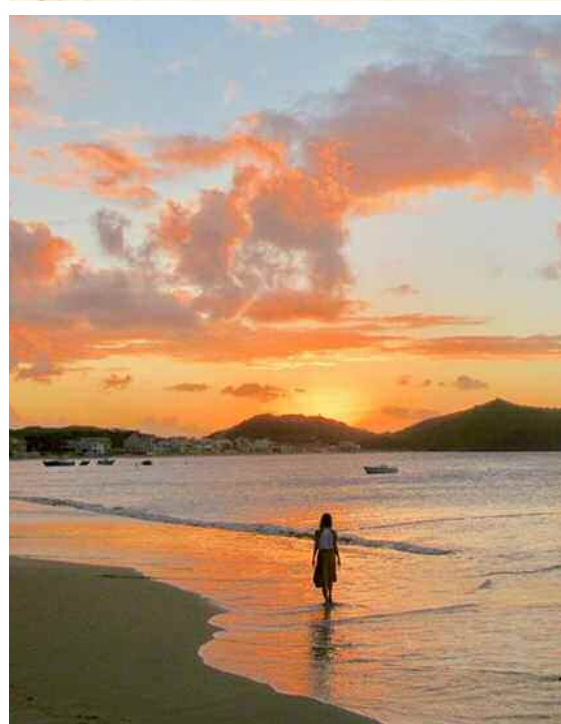

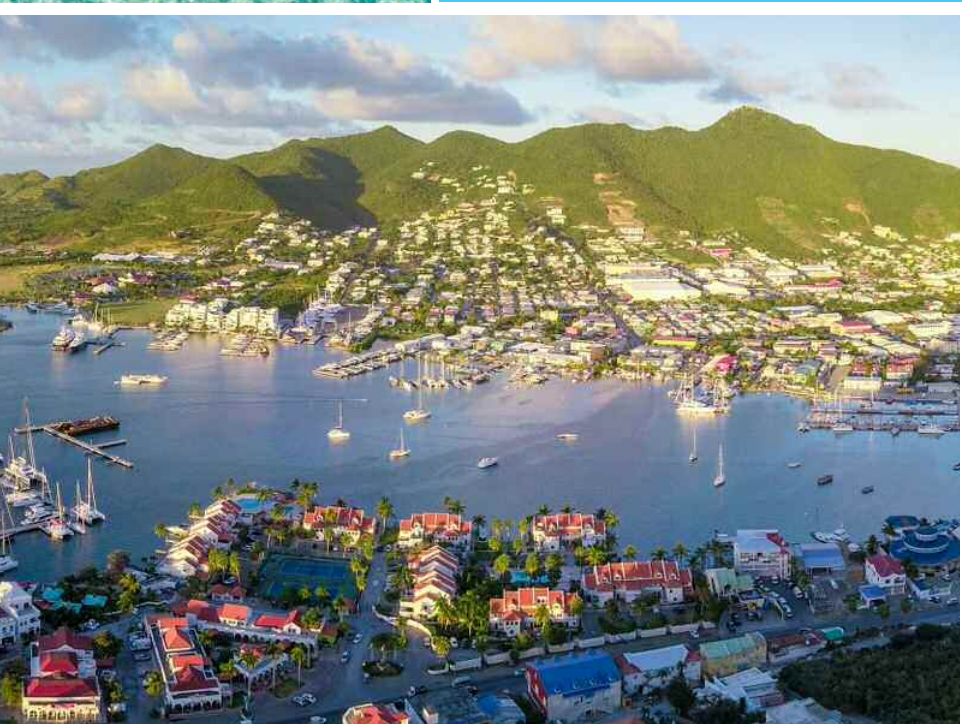

SAINT MAARTEN

Wrap the trip in one of many anchorages surrounding St. Maarten. Most popular is Grande Case. Located on the French side of the island is a long sweeping beach-fronted bay lined with several bars and restaurants.

A perfect village to indulge in the local atmosphere while shopping in the small boutiques or just a nice walk on the beach.
