HOW TO BOOK YOUR COVID-19 TEST IN FRANCE

FOLLOW THIS STEP-BY-STEP GUIDE

[Access this website](#), and click to accept cookies if this page appears.

Enter **06600 as the post code**, it asks if you wish to book your test in more than 14 days, click yes or no.

On the second page

Tick the box that says 'Je prends prochainement un transport pour lequel un test est exigé' to confirm you are intending to travel and need the test.

A box will then appear underneath, asking you to enter your destination. You can also opt to add your passport number.

On the third page

Tick 'Non' if you have not yet had your vaccine.

On the fourth page

It will ask if you have symptoms, either yes, no or I don't know.

On the fifth page

Click 'Voir les creneaux' for the first entry – it should be the test centre at 61 Avenue du 11 Novembre, 06600 Antibes if this was the postcode you entered above.

Then select the date and time you would like, and click 'continuer'.

Fill out your personal details on the next page

Where it asks for a social security number, just tick the box underneath.

For 'votre lieu de hebergement', tick 'Hébergement collectif autres' if you are staying onboard a boat or in a crew house.

If not, tick 'Hébergement individuel'. You will then be asked to enter your address.

You will also be asked for the name of your regular doctor – It doesn't have

to be a French doctor, you just need to provide the name for your own doctor.

Finally, tick the remaining 2 boxes, and prove you're not a robot before clicking 'Valider'.

You will then receive a confirmation email along with a pdf that you need to show when you arrive for the appointment.

The results generally arrive via email within 6-8 hours but may take longer.

The pdf with the result is password protected – they will give you a card at the test centre with the password for you to use to access your results.
